Sri Satagopa & Sri Ramanujachar should be conducted in utsavam to the Jeer Samidhi, and sevai & Sattumurai conducted, as is being done by private agency ~~at present~~ for some time past.

2) That if the endowt should be accepted and the seva conducted through the Govt agency, as a permanent arrangement then 1/2 the Rokkavecheha viz Rs 5-11-2 now paid, should be remitted.

3) That the interest of Rs 500/- on the endowt should be utilized at Rs 5/- per month for 10 months for the stipulated seva, ~~the seva for the remaining two months~~ no seva being conducted during the [illegible] the amount being also as credited at Govt cost as ~~at present~~ provided for in the temple scale

4) That the sum of Rs 5/- may be utilized as follows every month:-

Utsavada rokkavecheha	Rs 3-0-0
Utsavakalle Nivedana etc	As 1-8-0
Tiruppavai Sattumurai	As 0-8-0
Nivedana during the day.-	
	As 5-0-0

The temple Peshkar in recommending the acceptance of the offer, has suggested that instead of accepting the amount as Pudivat, it may be included in the

State Temple Funds & the sevarthas included in the temple scale, to ensure permanancy to it.

2) It may, perhaps, be noted here that there is no fund like State Temple Funds. If at all, the amount may be included in the temple funds (7½ lakhs) invested in the State Loan, and a sum of Rs 5/- provided for in the temple scale every month for the conduct of the stipulated sevarthas. This, in other words, means accepting the amount as a charitable endowment & providing for the sevarthas, as desired -

3. The only point that requires some consideration is about the interest. under the charitable endowt rules, interest at 5% is payable till July 1922 and thereafter at the rate to be fixed by Govt. The permanent rate is 4% & at this rate the annual income will be only Rs 40/-. At 5%, the income will be Rs ——50/- If included in the State loan — 62½.

The petr has given details of expenditure for Rs 50/-

As the local officers have no objection to the acceptance of the amount and the

conduct of the Sevarthis & the D.C. also recommends the acceptance of the amount and the conduct of the Sevarthis thro: Govt. agency, as a permanent item of the sample programme, the only point for consideration is, how the amount of Rs 1000/- offered, should be treated. Submitted for orders-

of the annual Tirumakshatram being done as provided for in the temple scale; and that being a Nelmi Utsavam, half the Rokkavechcha should be remitted.

15 Both the Temple Peshkar and the Dy: Amildar recommend that the Sevartha may be conducted as a Govt. Sevartha and included in the temple scale. The D. C. is of opinion that the offer may be accepted & the Sevartha conducted through Govt. agency, as desired by the Donor.
